

Welcome to the 4-th TF-WebRTC meeting!

Hosted by DFN

Mészáros Mihály

NIIF Institute

Welcome!

- Many Thanks to DFN for hosting our meeting!
- Many thanks to all the speakers who accepted our Invite and will give a presentation today!
- This is the 4th TF-WebRTC meeting (world-wide)
 - We started 2 years ago, time for review our goals, and challenges
 - Any feedback or comments are welcomed and appreciated
- GÉANT4 Phase1 SA8T2 Roadmap conclusions (Stay tuned!)
 - Roadmap and Tech Scouts coming soon to TF-WebRTC wiki.
- Let's Start !

Roll Call

- Very brief introduction
 - We have 20 minutes!
- Roll Call:
 - WAYF: Where Are You From?
 - Ongoing WebRTC related projects..
 - Expectations, comments, etc.
- Notice that we will have later time to continue
 - Open mic, Lightning talks, AoB session

Conclusions

Thank you for sharing!

- Thanks to all for sharing experience and knowledge.
 - Big thanks to speakers for preparing and cooperating
 - Spent work is highly appreciated
 - I am sure everybody heard and learned something new.
- Look forward to hear your feedback!
- Please propose next meeting
 - Speaker, Topic
 - Workshop, Tutorial, etc.

The living standard

- W3C Standard WebRTC slowly approaching 1.0 standard
- ORTC and WebRTC-NV
 - SDP importance fading out
- Browser (feature parity=?)
 - Chrome: lots of improvements
 - Mozilla: lots of improvements
 - ORTC, Microsoft has sharpening the Edge with ORTC/WebRTC
 - Apple made some promising steps (great expectations)

GN4 WebRTC Task

- GN4 P1 SA8 T2
 - WebRTC Roadmap
 - WebRTC Technology Scoutings
 - Demonstrator and services
 - Renedezvous
 - WebTut
 - STUN/TURN PoC

Next Meeting

- 5th TF-WebRTC
 - as side meeting of NORDUNET conference 2016
 - Place: Helsinki, Finland
 - Date: 22-23 September 2016
 - Planned to co-locate with GÉANT4 Phase2, JRA4 T4-T5 Task meetings

Many Thanks for your Attention!

See you next on the 5th TF-WebRTC
NORDUnet Conference 2016
